

LAB 4

MUHAMMAD AMMAR THAHIM (2112247)
& MUHAMMAD SAAD (2112118)

DEVOPS

SZABIST KARACHI

TASK 1

The screenshot shows the Microsoft Azure portal interface. The top navigation bar includes the 'Microsoft Azure' logo, an 'Upgrade' button, a search bar, and a 'Copilot' button. The user's profile 'bcsbs2112247@szabist...' is visible on the right. The main content area displays the 'Overview' page for a Web App named 'lab4devops'. The left sidebar contains a navigation menu with options like 'Activity log', 'Access control (IAM)', 'Tags', 'Diagnose and solve problems', 'Microsoft Defender for Cloud', 'Events (preview)', 'Recommended services (preview)', 'Log stream', 'Resource visualizer', 'Deployment', 'Settings', 'Performance', 'App Service plan', 'Development Tools', 'API', and 'Monitoring'. The main content area is divided into several sections: 'Essentials' showing resource group, status, location, subscription, and tags; 'Properties' with tabs for Monitoring, Logs, Capabilities, Notifications, and Recommendations; 'Web app' details including name, publishing model, and container image; 'Domains' showing default and custom domains; 'Deployment Center' with deployment logs; 'Application Insights' showing name and status; and 'Networking' showing virtual IP address, outbound IP addresses, and additional outbound IP addresses. The bottom of the screen shows a Windows taskbar with the Start button, search bar, and various application icons.

TASK 2

The screenshot shows a web browser window with the address bar displaying 'lab4devops-bgc3bhh9h9f5f8hr.centralus-01.azurewebsites.net'. The page content is a 'Welcome to nginx!' message. The text on the page reads: 'Welcome to nginx!', 'If you see this page, the nginx web server is successfully installed and working. Further configuration is required.', 'For online documentation and support please refer to nginx.org. Commercial support is available at nginx.com.', and 'Thank you for using nginx.'.

Welcome to nginx!

If you see this page, the nginx web server is successfully installed and working. Further configuration is required.

For online documentation and support please refer to nginx.org. Commercial support is available at nginx.com.

Thank you for using nginx.
